

Welcome To August

The sun is out and it is bright. Children are also out so please slow down and be alert in residential neighborhoods and school zones. Always look for kids at intersections, on medians and on curbs. Enter and exit driveways and alleys slowly and carefully.

Watch for children on and near the road in the morning and after school hours. Reduce any distractions inside your car so you can concentrate on the road and your surroundings. Put down your phone and don't talk or text while driving.
