

Winter Quarter 2022

Welcome to the Winter quarter! It is time for cold weather, the occasional snowfall, and warm drinks. Bundle up and stay warm!

We are sad to announce that Teacher Shoulanda is leaving us! She is moving on pursue other interests and we wish her well! Her Last day with us is on February 14th. Teacher Belle is being promoted to Lead Teacher of the Toddler room, and teacher Amy is moving to Lead teacher of the PreK room. We are welcoming Connor Zehrunge, Lina Nunez and Ikram Benarbia whom have joined to our Staff.

February is the month of Love! Valentine's Day is coming up, and teachers will be communicated with parents about Valentine's Day parties and card information.

Please be aware that we are still following Covid protocols, as proscribed by the King County health department. We are cleaning, cleaning, cleaning! We ask that parents not come into the rooms for drop off/pick up if possible, and the teachers will prepare your child for departure. We also ask that children put on shoes at the steps or front door, to minimize dirt and germs spread through the school. Please also be aware that colds and other contagions are still to going around, so please keep your child home if they have multiple cold/illness symptoms and/or high temperatures. Please be sure to provide your child with weather appropriate clothing: for cold, rain, or even snow... Please remember, we go out rain or shine!
